Greensboro College Head Men's Lacrosse Coach **Dan Cetrone** announced the second annual "*Battle in the 'Boro*" Lacrosse Recruiting Showcase. The event will be Oct. 11 at the Smith Turf Fields in Greensboro.

The Showcase is designed to give players the opportunity to expose their skills to coaches from Division 2 and 3 colleges and universities. Each College Coach attending will receive a player profile book of every player attending the showcase with their extended contact information. The teams at the showcase will be coached by college coaches.

Each player attending the Showcase will participate in four games over the course of the one day showcase. This will allow the college coaches the best opportunity to watch each player thoroughly. Please let the schools that you are interested in attending know that you will be at the showcase.
